## Overview

This 99.5-acre wooded haven is a hunter's dream come true, offering the perfect setting for a hunting lodge or your own private retreat. Situated in a small community within a tranquil country environment, this unrestricted land features a captivating mix of diverse topography and hardwoods, and a creek giving you a natural water source on the property. The varied landscape enhances the property's natural beauty and provides an exceptional backdrop for outdoor activities. With abundant wildlife, including numerous deer and turkey, it is truly a hunter's paradise. Whether you're an avid outdoorsman, a nature enthusiast, or simply searching for a serene place to call home, this property presents a unique opportunity to enjoy both natural splendor and peaceful living. The property is currently in the Greenbelt under forestry management. Call today for more information. All information provided is deemed reliable, but is not guaranteed and should be verified by the Buyer.
