## Overview

Country Living Alert! This wonderful 3-bedroom ranch, nestled on over a half-acre in St. Charles, will provide you with plenty of peacefulness and privacy. No front or rear neighbors... and the sunsets are amazing! The large eat-in kitchen with all appliances and wonderful wall of windows is sure to delight you, while the spacious living room offers a great place to relax. The family room boasts sliding doors, which lead to the large, private back yard with beautiful trees and fields. There's a bonus room that would make a perfect office, hobby space or lounge and game room. The large 2-car attached garage and shed allow for lots of storage space, and the unique circle driveway will come in handy when all of your family and friends come to visit. This could certainly be the home for YOU... call for your personal tour today!
