Overview

Build your dream home on this beautiful 3.12-acre property! Partially cleared and ready to go, this lot already has a septic system in place and a gravel pad prepped for a mobile home. The current owners had big plans, but their circumstances changed, making this a golden opportunity for you. Whether you're envisioning a custom build, a cozy mobile home, or a private retreat, this lot offers the perfect canvas. Don't miss out make this your own piece of paradise today!
