Overview

Just Imagine... Living in this Beautiful Adobe Style Home nestled in the Colorado Countryside! 360-degree views of Pikes Peak and the Front Range by day and brilliant stars scattered across the open sky by night! Such True Quiet Country Living all around you... You'd never know you're Just Minutes away from City Conveniences! Plus, Real One-Level Living!!! Step into this pristine bright and beautiful floor plan flooded with natural light, and discover anything but the ordinary. Southwest influenced arches and curves, including the unique corner fireplace, wood ceilings and massive log ceiling beams... All while maximizing living space. What a wonderful place to call home. The updated kitchen includes a gas cooktop, large double oven, plenty of cabinets and brand new backsplash. There's plenty of room for everyone with the generous living room and large family room. The massive master suite occupies one end of the home and is more like a private retreat! The huge bedroom opens to the 5-piece bath featuring a jetted tub, free-standing shower and double vanities. There's also two more bedrooms that enjoy a 3/4 bath. Relax outside on your private patio or play on the nearly 40 acres that's all yours!!! Imagine the gardens, animals, and toys you could enjoy as part of country living! The giant barn is just waiting to accommodate what you enjoy most. A rare

opportunity where Style Meets Function, and Country Meets Convenience! Just 5-Minutes to Hwy 24 and Two More Minutes to Woodmen Road! You won't find another one like this! Check out the 3D Virtual Tour!
