## Overview

Historical 2 story home with possibility of being used for a Business. Buyer would need to apply and receive approval for Zoning Change from City of Macomb. This property is bordered by B-2 General Business zoning district properties and has highway frontage, front drive access and rear alley access to the property. Owner says there is space for parking in the back of the property. Entering the home from the large covered front porch you will find unique designed wood flooring, ornate ceilings, stained glass windows, Bow window, beautiful wood staircase, gorgeous fireplace with detailed wood mantle, gas insert and ornate wood framed mirror. Main floor features living room, family room, pub room (could be office, playroom, library, etc), dining room with large wood ornate chandelier, kitchen with lots of cabinetry, newer refrigerator and newer gas stove, washer/dryer hookups, even a second staircase leading to the second floor. Kitchen and dining rooms each have door to covered back porch. Main floor has a half bath. Upstairs has 3 bedrooms, wide hallway beautiful wood accents and 2 baths. Above the second floor is a large attic used for storage. Enjoyable back yard with garage type building. Convenient location to Macombs downtown square and Chandler Park.
