## Overview

Don't miss this immaculate unit in sought after John Weiland community of Providence! Open concept feel with a private owners' retreat awaits. This is the one! Come tour your new 3 bedroom/2+bathroom unit with loft/office nook and custom murphy bed for guests. 3-way split level floor plan with private owners' en terrace suite could also serve as the perfect inlaw suite. Both secondary bedrooms offer stunning custom closets. Can't miss hardwood flooring, stainless appliances and built-in bookcases in the living room. Lower level owner's suite with garden whirlpool tub, glass shower, double vanities, walk in closet and walk out private terrace with wooded views. Open concept on main level allows effortless entertaining from oversized kitchen, family room and dinning area. The unit backs up to green space for privacy. HVAC and water heater were recently replaced. The amenities come packed with pool, tennis courts, dog park, nature trail, clubhouse, fitness center and gated entrance.
