Overview

This spacious home is ideal for families or shared living. It boasts a large laundry/utility room, a hearth room, ample storage and windows, and two separate living areas. A unique highlight is the wet bar, which could also function as a kitchenette on one side of the house. The layout is versatile, offering the possibility of two distinct living areas with two bedrooms and one bathroom on each side of the house. This home also includes three extra storage closets, all new energy efficient windows, a new roof and both French drain and gutters at the front. It features new wood laminate flooring throughout. There is an attached parcel of land that could be included in the sale upon negotiation. The tract of land is 1.43 acres and a copy of survey is on the kitchen counter.
