Overview

CLASSY CUSTOM CHARLES~Welcome home to 3755 Charles Drive, located in the highly sought-after Huntington's District 27. This upgraded, renovated, expanded model features an extra-large, open-concept dining and living room combination that leads to a 2nd patio, perfect for holiday gatherings and unique to this model. The home boasts a stunning chef's kitchen, renovated five years ago, with thick white quartz countertops, striking dark custom cabinetry, island, a Wolf range, and Dacor double ovens. The main level showcases trendy diagonal dark hardwood floors, while the second level features brand new carpet with hardwood underneath. The cozy family room offers a gas fireplace and sliders leading to a charming brick paver patio. Enjoy ample storage throughout home with built-in units and walk-in closets, complete with organizers. The updated main hall bathroom features dual sinks. In the basement you'll find a finished recreation space, office and convenient half bath. Additional updates include brand-new HVAC, a newer hot water heater, and a sump pump with a back-up system. The exterior is finished with maintenance-free Hardie board siding. The paver patio is serene off the family room protected by trees. This popular neighborhood hosts block parties. It's near fabulous Wood Oaks Green Park and Jr. High. Award-winning

District 27 is sought after for its high performing academics and extracurricular activities. Welcome home to 3755 Charles where style meets function. Come for a visit, stay for a generation!
