Overview

If you want all of the perks of living on the gulf course yet have the perfect amount of landscaping procured privacy, then this is the home FORE you! Enjoy your morning coffee pool side or take a dip in your brand new jacuzzi equipped with spacious seating while you gaze over at the amazing golf course. The dramatic lighting around the pool illuminates the evenings and gives night swimming an out of this world starry lit experience. This property has all of the perks of modern living such as: SMART kitchen appliances, a built in island glass cooktop, high tech security system through out the property, a garage smart remote with camera, detailed wood work around the entertainment area with built in accent lighting and pocket ceiling lighting through out the kitchen. The home also has granite style kitchen counters with a marble finish. The entire back side of the home has a view of the pool and the primary bedroom has its own side door opening out into the screened in pool area. There is a two car garage, brand new water heater and a back up propane generator that will have you ready for any weather Florida throws at you. Enjoy alone time in your den, that is located at the front of the home, where you can look out of your front window and see who's coming around the cul-de-sac. This luxurious golf course subdivision is perfectly located to where you can hop in your golf

cart and cruise up to your community club house or take a 5 mile car ride over to Sorrento Hills Village and find everything you need, such as: A Publix Grocery Store, Sunrise Grill, Dunkin' Donuts, a hair and nail salon, etc. If you are looking for a spacious four bedroom and two bathroom home with a modern appeal, then this is the home for you. Words can not even describe all of the exciting details of this property, so come on by and check it out for yourself. See you soon!
