## Overview

Looking for a great location? You found it! This sizable 2 bedroom 2 full bath condo is in the established Domizile community in Mountain View. Spacious kitchen overlooks expansive living area with fireplace and nice balcony with an open view. Generous master bedroom has a good size closet and a nice area for a retreat, or an office space. Master bethroom has a tub with a showerr and dual vanities. Newer carpet throughout the unit. The unit has central heating and AC and inside laundry with adequate storage. At the designated parking garage level there is a storage area and mail boxes. Two elevators in the building. Relaxing by the pool, using sauna or fitness area are amenities to enjoy. This beautiful unit, full of natural light most of the day, can be used as is or with little change it can be made into even more beautiful place to live in. Close to award winning Los Altos schools. Steps away from shopping at Whole Foods, Safeway, Target, Walmart. Short distance to major tech companies Google, Apple, Meta, to Stanford Shopping center, Caltrain and VTA. Great place to spend time visiting lively downtown Mountain View, popular restaurants in Los Altos, or Palo Alto. Great place to call home.
