Overview

Beautifully maintained front to back split set on a spacious corner lot. Some highlights include hardwood floors throughout the main floor and the bedrooms, gas heat, gas cooking and central air conditioning. The main floor is open concept with an island and stainless steel appliances in the kitchen which flows into a dining area and then the living room. The living room features a vaulted ceiling and a fireplace. There's recessed lighting throughout this floor. The second floor features 3 bedrooms, all with hardwood floors, and a tastefully updated full bath. In the lower level, you'll find a very large finished room for additional living space along with a utility room. Outside there's a fabulous fenced-in yard with a nice patio and a huge shed. Updated utilities include the furnace (2019) and water heater (2017). Audio/video recording equipment on the premises. First showings at Open House, Sunday, 8/25 from 12-2.
