## Overview

Freshly Updated 1 Bedroom Home with a large yard! This house is tucked away in a quiet neighborhood by the Rock River, yet you are only moments away from the Schools, churches, grocery stores, restaurants, parks, Sunset Marina, and everything else the Quad City Area has to offer. This Home features a Large grassy Lot with mature trees offering shade. Welcome in the front door to your living room with an open concept that looks into your kitchen. The kitchen offers plenty of cabinet space and a door to your backyard. The Bedroom is North of the Living room with two windows allowing natural light to fill the room. The Bathroom features a walk in shower and laundry hook ups. Enjoy the updated flooring, interior paint, kitchen counter tops, and more!
