Overview

Luxury living in a well established neighborhood called Ashmore farms. This home is a custom built corner lot, 4 bedrooms, 2 bath, and 2 car garage, and flex room. Sitting on over half acre lot with mature trees is the ONLY pebble stone in entire subdivision. Recently updated with; exterior paint, roof, HVAC, tile in pool, hardwood floors, new fencing, new carpet. You will surely be WOWED upon entrance of this charmer with an arial view of the backyard oasis where you will see the gated in-ground diving pool and pergola. Nice sitting area on front porch and covered patio on back porch thats extends from one side to the next. Master is on separate side of home located next to kitchen features private full bath. Beroom 2 and 3 are opposite side, and loft bedroom upstairs features built in bunk beds and desk area. Walk in pantry and laundry, fire place, Built in shelves, desk, walk in closet, and crown molding are some of the charms you will see throughout this stunner!
