Overview

This custom-built log home is nestled on 1.95 acres in a peaceful country setting, offering unmatched privacy and no HOA. The residence includes a spacious 25x25 two-bay log garage, a beautiful stone fireplace, and a full basement. Inside, enjoy 2 bedrooms, 2 bathrooms, and a loft area for added space. The home features both a front and back deck, as well as a large screened-in porch for your enjoyment. Surrounded by nature, this property is a perfect blend of rustic charm, creating an ideal retreat for relaxation and comfort.
