Overview

Welcome home to this private and secluded home that sits on a wooded hill overlooking the gorgeous 10 acres of land and private pond that come with it. The home offers plenty of room for a family with the 3 bedrooms and 2 baths upstairs, large kitchen, dining and living room. It comes with a 2.5 car attached garage, large breezeway with a bathroom that needs finished and the stairway that takes you to a full walkout basement that has a bar area, sliding doors to a patio, large recreation area for entertaining and another room that could be used for a bedroom or office. Also included in this sale are all brand new decking lumber and materials to build a new front deck and stairway to the front entrance. This property is a must see to understand all of what it has to offer.
