Overview

Welcome to your Park County sanctuary! This delightful, fully furnished 3-bedroom home boasts rustic log accents and tile floors that create a warm and inviting atmosphere. The spacious loft and primary bedroom, complete with a private deck, offer ideal spaces for relaxation. Natural light pours in through a wall of windows, brightening the open living areas, enhancing its artsy feel. Equipped with essential utilities such as electricity, a well, and a septic system, along with cozy in-floor radiant heat and a wood-burning stove, comfort is assured year-round. Set on 5.5 acres that back up to state land, this property ensures privacy and beautiful natural surroundings. The impressive 20x10x20 tool shed provides ample storage and workspace. It is plumbed in. The shed space has a loft, skylights, and concrete floor. A washer and dryer are also included, enhancing the convenience and appeal of this exceptional home.
