## Overview

Welcome to this beautifully updated townhome, offering comfortable, modern living in Belgrade, Montana. This 1,389 sq. ft. home is all on one level, making it both accessible and convenient. The heart of the home features an open-concept living area that seamlessly connects to the kitchen and dining space. Enjoy the ease of entertaining or everyday living in this well-designed space. The kitchen boasts ample storage and counter space, making meal prep a breeze. The fenced side yard is perfect for pets, gardening in the custom garden beds, or simply enjoying the Montana sunshine. The covered deck, with access from the primary suite is an ideal spot for outdoor dining, morning coffee, or relaxing in the fresh air. Come spring, enjoy the newly planted wildflowers lining the front entry of the home. This townhome also includes multiple updates throughout, ensuring a move-in-ready experience. Enjoy new luxury vinyl plank flooring, all new paint, improved floor plan, 2 new entry decks, new water heater and roof in 2024, and updated bathrooms. Whether you're looking for your first home, downsizing, or seeking a low-maintenance lifestyle, this property checks all the boxes. Located in a bustling community, you're just minutes away from local amenities, parks, and schools. With its central location, enjoy easy access to the Interstate Big Sky and Bozeman. Don't miss

the opportunity to make this your new home in Big Sky Country!
