Overview

READ AGENT ONLY REMARKS. It is rare these days to find a stick built ranch home, with full basement, attached oversized 2-car garage on large 3/4 Acre lot, that "yes of course needs repairs and TLC" but has great bones!! Did I mention you are one block from the beach at Woodland Lake and the lovely park w/basket ball courts? The 2 lots behind the house on 25th Street could be used to finance your construction/repairs, or many other possibilities.... Seriously.... a great sweat equity opportunity!
