Overview

Located directly across from the courthouse. The bar has a following for food and drink, along with gaming area located in back. Dining Room: Open dining room/ oak round tables and chairs included, laminate floor. Bar: U shaped bar and bar stools, liquor island in center, metal design opens to walk in cooler with window view. Gaming Area: Separate from dining and bar by half wall. Gaming income records available upon request. Additional seating with tables near bar opens to a beer garden. Cement floor, white wrought iron fencing, overhead lights. Back of bar has cooking area, more walk in cooler space for food, several freezers for food and all utensils and fixtures are included. Buy today and start your business tomorrow. Adjacent to bar structure is a 2 story older building. Presently just storage for owner, but can be cleaned and repaired into two apartments for additional income. Great location in Virginia. Supplemental income available for apartment upgrade, plus income from gaming.
