Overview

Welcome to 30964 Summit Dr, Running Springs This exceptional home, rebuilt in 2017, offers modern living in the heart of the mountains with the convenience of a great commuter location, just minutes from HWY 330. Practically brand new, this home combines contemporary design with the charm of mountain living, making it an ideal retreat or full-time residence. Upon entering the main level, you'll find a spacious and inviting great room, perfect for relaxing or entertaining. The open layout seamlessly connects the living area to a well-appointed kitchen, complete with modern appliances, ample counter space, and a dining area thats perfect for family meals or hosting guests. A convenient half bath is located on this level, along with the master bedroom, which features a cozy fireplace for warmth and ambiance on chilly mountain evenings. The lower level of the home offers additional living space, with two more comfortable bedrooms, a full bathroom, and a dedicated laundry area. Modern amenities include an on-demand water heater and air conditioning, ensuring comfort and efficiency year-round. Outside, the property boasts plenty of parking space, accommodating multiple vehicles with ease. Three sheds provide ample storage for tools, outdoor equipment, or seasonal items, keeping everything organized and within reach. The location is unbeatable,

with the home just minutes from the charming town of Running Springs, offering dining, shopping, and other amenities. Whether youre commuting to work or seeking a peaceful retreat, this home provides the perfect blend of modern comfort and mountain tranquility.
