Overview

Beautiful two story home located just outside of the historic Village of Naples. Enjoy country living while being a short walk to unique restaurants and businesses. Enjoy dining on your outside multi level deck. Plenty of space for gathering with your friends and family. The wrap-around covered porch is connected perfectly. Inside you will enjoy a large open-concept kitchen, dining and livingroom. The kitchen has custom cabinet pull-out drawers, a large center island, gas wall oven w/convection, gas cooktop w/stainless steel range hood and refrigerator. Plenty of seating around the island and the peninsula. First floor also has mudroom/laundry room, full bathroom, office or possible first floor bedroom or multi-purpose rooms. Second floor hosts a custom tile walk-in shower and 4 bedrooms. One having a vaulted ceiling and loft. A first floor unfinished bonus space is waiting for you to finish and use however your heart desires. Come see for yourself and let you imagination run wild! Rounding out this home is an attached two bay heated garage with workshop space. This home is everything you have been looking for and more! Delayed showings and negotiations until 8/26/24@9am
