Overview

If you LOVE the outdoors then this is the place for you. 5 ACRES with tons of privacy, includes Apple Trees/Grape vines-normally with enough produce to make some apple pies/grape jam. There are also walking/riding trails and a Pond w/island(needs work)to spend the summer or view the GORGEOUS color in Fall. Fenced back yard for your pets or get a few chickens because the coop is waiting. Detached 2 car garage and a large garage/shed for play toys. There is also over a 1700 sq ft Ranch home w/3 bdrms, 11/2 baths, office or den, rustic hardwood floors, living room, firelit family room w/slate floors and enough space for all the family gatherings. Open kitchen/dining area and you can Top this off with a sun room off the back opening to a patio. Covered front porch and circle drive. Home/yard needs some finishing touches but it could be your Dream Home if the outdoors is your go to place. Newer windows and steel roof. Easy to show.
