Overview

Amazing brick home in Old Farm subdivision! With over 4,000 square feet of living space you will not lack for spaces to entertain and enjoy. The main floor boasts a two story entry way, spacious primary suite, and a guest room/den space with full bathroom. The spacious updated kitchen opens up to the dining area and has an open concept to the living room. In the kitchen you will find ample cabinetry, high end appliances, a large island, and more. Step out to the sun room that overlooks the back yard with no rear neighbors. The large patio space is perfect for entertaining. The second floor has a large living space perfect for the kids! You will also find 3 generous sized bedrooms with attached bathrooms making a perfect space for the kids or guests! Don't forget the amazing heated 4 car garage space with tiled floors! This is a car persons dream. Ample space for cars or to create an amazing shop space. This one of a kind home has so much to offer that you do not want to miss!
