Overview

What an opportunity to show your off your HGTV skills...update this 3/2 home with fresh paint and new flooring for a great starter home, investment property or mountain getaway. Just minutes from Weaverville yet very private on 1.3 acres. Features a large kitchen with dining area open to the living room. Nice yard area for a fire pit or chickens. Sunny spot for that garden you always wanted. Already has a garden/tool shed for extra storage. Envision a nice deck on the front of the home for sippin sweet tea with family and friends.
