## Overview

Experience this exceptional 2,050 sq ft ranch home with a split floor plan, full basement and 3 car garage! Built in 2019 and better than new. Located in the desirable Prairie Chase neighborhood of Bourbonnais, this meticulously maintained residence features three bedrooms and two bathrooms. The large master suite offers a walk-in closet, double sinks, and an oversized tiled shower for a touch of luxury. The main floor includes a convenient laundry room and beautiful hardwood flooring throughout the main areas. The living room boasts a stunning fireplace and opens to a bright white kitchen with quartz countertops, an island with seating, and a spacious walk-in pantry. Sliders lead to a covered patio and a large, fenced-in backyard—an added feature not typically found in new construction. The three-car garage provides ample space, and the property is just minutes from I-57, shopping, grocery stores, schools, and more. Enjoy nearby park and pond amenities, making this home a perfect blend of comfort and convenience.
