Overview

Great Opportunity to invest and build in this prime location lot, with only 5 miles distance to the New Samsung Mega site. This lot is Zoned P4 Mix which regulates a variety of building types ranging from smaller commercial building to intermixed house-form commercial and attached and detached residential. Some examples of the use for this lot could be a Duplex, Triplex, Fourplex, Small Commercial, Residential, ADU and a couple more. No HOA and easy access to Carlos G Parker Blvd and Hwy 79. Dont miss this opportunity to invest in this booming city of Taylor.
