## Overview

The dream of living in the country with the convenience of being just minutes away from all the hustle and bustle of the city. The clear blue sky, the sound of birdsong floating on the breeze and the fresh air all accompanied by four seasons of beauty. Oh, what bliss! If you have considered building your forever home, 1021 Marbleton Road may be just the place. This .82-acre property could give reality to several different dreams. Do you want to build a house on the hill and have a wooded back yard and view the deer and turkeys in the meadow across the road? Did you have a smaller home in mind and plan to grow herbs, harvest the abundance of flora the property provides? Maybe you just know you want to live in the country but are still figuring out the whole house idea? Let me put your mind at ease because this property works for all three of these ideas...and several more. With water and power on site, perc test, a huge, graveled level area for parking your RV or two this property offers so much. Whatever your desires are, certainly take action soon and make an appointment.
