Overview

Beautifully landscaped and remodeled 3 bed bungalow near school in Frontenac. Newer insulated windows offer lots of natural light. Tasteful decor, refinished hardwood flooring throughout with ceramic tile flooring in kitchen and bath. Pretty kitchen with stainless appliances, laundry room with solarium window facing south. Within last several years new central air, ductwork, plumbing, roof and more! Ample amounts of storage, lovely front porch, landscaping, private patio area, unfinished basement. Spacious 24 x 34 detached garage/shop includes a kitchen area with heat and AC capability, privacy fenced backyard and more!
