Overview

Welcome to your spacious retreat! This 2-story home boasts classic charm and modern comfort. The open family room features a cozy woodburning fireplace, creating a warm ambiance year-round, while the convenient walk-out to the yard enhances indoor-outdoor flow. Culinary delights await in the eat-in kitchen, ideal for casual dining and hosting guests. With 4 large bedrooms, it's perfect for those seeking room to grow. Entertain with ease in the flat, fenced backyard nestled on a corner lot, offering both privacy and space for gatherings. Plus, enjoy the convenience of an oversized 2-car side entry garage, providing ample storage and parking. Your dream home awaits - seize this opportunity today!
