Overview

Check out this oversized 3 bedroom, 2 bathroom ranch style home, situated on 1.5 FLAT useable acres with a detached garage in Dixon! This property is perfect for those that long for privacy but still want to be a short drive to town or Fort Leonard Wood. Step inside and be greeted with brown laminate flooring and a woodburning fireplace that shows character and is perfect for Missouri winters. The kitchen boasts can lighting, medium-oak cabinetry, laminate countertops, a white refrigerator, dishwasher and a stainless range/oven in the center island. The master bedroom has carpet for comfort and a full master bathroom with shower. Two guest bedrooms and a guest bathroom are also located just down the hall. Enjoy the luxury of a separate laundry room with a cabinet for storage. This home features a spacious second living room area with tiled flooring for easy clean up. All of this living space on ONE floor, totaling 1652 square feet with low annual taxes and endless potential!
