Overview

Iconic Fox Mill Home!! This home is truly one of a kind. It's both elegant and charming, and an absolute must see. This amazing property sits on a professionally landscaped corner lot in the heart of Fox Mill with over 200 acres of open space, miles of walking trails, community pool and clubhouse. But the house is the real star! Unprecedented curb appeal welcomes you onto the wrap around porch. Grand foyer sets the tone from the moment you walk in. The living room is so lovely. The dining room features custom light fixtures and millwork. The kitchen renovation (2022) is stunning and bright and includes an eating area and opens to the coziest family room with stone fireplace. Just off the family room is the screened in porch to enjoy with hardwood floors that were refinished in 2023. The first floor also has a large mudroom, private office with shiplap accent wall and updated lighting, and newly renovated half bath (2024). The second level has four bedrooms. The primary bedroom has brand new carpet, a fireplace, and a private balcony. Completely renovated primary bath is just perfect. The second bedroom is huge, and next to the newly renovated hall bath. Bedrooms three and four share a jack and jill bath. The third level is the perfect teenager or guest suite with a large sitting room and bedroom and its own full bath. Full finished english basement with a fireplace,

full bath, study room for the kids, and a second pantry. The garage can be accessed from the utility/workroom for added convience. All of this on nearly half an acre. Full list of updates will be provided in additional info.
