Overview

This lovely Cape Cod home enjoys the natural beauty of Little Pine Lake. Only a short drive from the liveliness of town and various shopping and dining destinations, the home also offers a painless commute to nearby employment areas (MEGA military base, Medical facilities and hospital). The location is also convenient to nearby schools. Adding to the symmetrical elegance of Cape Cod architecture, the setting is framed by greenery and a breathtaking view of the Lake. Out front, the driveway has ample room for visitors' parking. The expansive yard has an open space feel. The good-as-new pressure-treated wood deck is a great spot for your outdoor furniture and the gatherings that naturally follow. Sunlight through the windows provides light and warmth, and maintains the home's connection to nature. The neutral decor is likely to suit any taste as-is, but also serves as a backdrop for your design vision. In the updated kitchen, which brims with stylish functionality, culinary endeavors are a pleasure! The kitchen flows like easy conversation onto the living room, patio, and deck. Exceptional granite countertops are in the classic L-shape configuration, maximizing corner space. Plentiful natural light adds visual spice to routine slicing and dicing. The primary bedroom, conveniently located on the main-floor, is a great launch pad for the day. The other bedrooms, all

distinct, are distributed throughout the house for privacy, and ready for your decorative touch.
