Overview

Best buy in town! Complete rebuild is 95% new but offered at a used home price. 4 Bedroom 2.5 bath Elmhurst property has a fabulous open floor plan and shows like a model! Light and bright living room/dining area opens to a magnificent 25x17 kitchen with abundant high-end cabinetry, quartz countertops, handsome backsplash, stainless appliances and 10ft island/breakfast bar. Gleaming oak flooring and recessed lighting in living room and kitchen. Spacious family room with fireplace walks out to patio and pleasant rear yard. 17x14 primary en suite features a walk-in closet and wonderfully appointed bath with custom tile work and shower. 3 additional 2nd floor bedrooms all have ample closet space and convenient access to a 2nd full bath. Large laundry area with built ins, sink and front-loading washer and dryer. Attached garage is EV ready. NEW: roof, siding, windows, hvac, plumbing, electrical, doors, trim work, flooring, appliances, lighting..... This one is magnificent!
