Overview

This 2 story home offers the opportunity to have loads of space, a huge privacy fenced yard and the home is priced affordably! Beautiful updated kitchen. Baths have been updated. Main level laundry/utility room with dog faucet. There are a few things left to do and you can build equity by finishing the upper level to suit your needs. Detached garage makes the perfect place for an onsite workshop! Close to the elementary school for the kiddos and a super spacious covered front porch! Walking trail to East Lake Park and the Dog Park are close by. This one covers all of the bases for a comfortable and spacious inside and out lifestyle!
