Overview

Best student rental property in town! Entire home has been updated with high-end bathrooms. Plenty of room for parking, large back deck and nice yard wraps entire property. High end ceramic tile and bath fixtures. One-level living on main walk-in level including three beds and full baths. Bonus is downstairs has been beautifully renovated with just about as much space and more upscale improvements. Cannot count because ceiling height is below 7' but appears it could also be rentable bedrooms or separate level. Great opportunity for anyone looking for easy access to ASU and plenty of space for lots of people. See to believe.
