## Overview

Welcome to your own private family compound! This home is perfect for a growing family or multi-generational family, with ample space for living, entertaining, privacy, and a warm cozy feeling of your little slice of heaven in the country. You are still close to shopping and freeways but far enough out of the developed areas to feel like you are remote and private. This home contains 6 bedrooms and 4 bathroom. (There was twelve hundred square feet added.) When you enter the property, you walk down custom redwood stairs and railings into a welcoming living area, open and spacious for entertaining. Walls of windows bring in light and provide beautiful scenery. The kitchen was updated with top of the line appliances; Thermador Range, top of the line refrigerator and dishwasher and plenty of counter space to enjoy all of your culinary delights. Enjoy wrap around decks with views and ample space for outdoor entertaining, and a retractable awning will provide shade when needed. All of the bathrooms are updated with modern touch-control lighted mirrors, frameless glass and more. The primary bedroom suite has a walk-out private deck to enjoy morning coffee or a glass of wine to see the sunset. the primary bathroom has dual sinks, a large walk in closet and water closet with beautiful custom wood pocket doors and shower with frameless glass. the middle level has a huge bonus room/bedroom which can be used for the kids,

movie room or bedroom. The den boasts a cabin feeling with a built in bar and another area to entertain inside and out where you can walk on your huge deck to grill, eat and enjoy family and friends. The lower yard has a bocce ball court and space for your dogs roam and run. Don't miss out on this one-of-a kind property.
