## Overview

NEW ROOF with Atlas Shingles, NEW carpet, NEW easy-step-in shower in the guest bathroom! This exquisitely well-maintained home has been updated in all the right ways for a new buyer, including an epoxy garage floor! In addition to these upgrades, you will find abundant amenities in this home. The kitchen has granite countertops, tile backsplash, and a pantry. The primary bedroom has a separate tub and shower with a very large walk-in closet. The living area has vaulted ceilings and hardwood with abundant light flowing in from the large windows. The spacious backyard on this corner lot also had a large, nice shed that stays and that could be used as a work space or for more storage. In the backyard you can also enjoy sitting on your covered patio. This home checks all the boxes and is conveniently 8 minutes from I-65 and the new Buc-ees!! Come see it for yourself!
