Overview

Beautiful home on large lot in the Brownwood subdivision. This home offers a large outdoor entertaining area with a heated pool (new liner in 2024). New architectural impact rate roof in 2024. Split floor plan with master on one side and two bedrooms each with their own bathroom. Large kitchen with lots of storage, pantry, and breakfast area. The den, living room, and master bedroom open to the outside pool area. Full bar area in the living room. Large dining room. Powder bath with access to the pool area. Large master suite with sitting area. Large master bath with two closets, two vanities, jacuzzi, and shower. It has an additional room that is being used as an office, but is a great flex space with closet. There is a 3 car garage, and a detached 2 car garage with a covered camper space next to it.
