Overview

Rare opportunity to find a well built older home with some land and it is Brick!! Original wood floors in the majority of rooms, they have been loving re-finished by the owner. Freshly painted and has that warm family feeling. The home offers a full unfinished basement with endless possibilities with a fireplace. Owner has completed several upgrades and now this home just waits for you to put the final touches of your choice. Look at it now and you can set back and relax by the cozy fireplace in the living room in time for the holidays. There is also a two bay Morton Building on the property perfect for the mechanic in your family. In the spring you even have room for a beautiful family garden.
