Overview

Beautiful Mediterranean estate located in the prestigious, guard-gated Ridgeview Country Estates in Pacific Palisades. A magical courtyard with an outdoor fireplace and water feature leads to dramatic glass door entry. Enter through the foyer into the elegant living room with fireplace, large formal dining room, elegant office, updated kitchen equipped with high-end appliances and finishes adjacent to the family room and bar area with an additional fireplace. A guest suite or maid's quarters is located on the first level along with the direct access 3 car garage. The grand scale of the rooms with high ceilings and French doors provide a great entertainment flow. Enjoy the beautiful landscaped grounds with a custom outdoor kitchen, mosaic tile pool and spa, numerous inviting outdoor living spaces. Upstairs, the spacious primary suite features a large private deck with mountain views, fireplace, dual spa-style bathrooms, dual walk-in closets. Three additional generously sized ensuite bedrooms grace the upper level. Plus, a separate staircase takes you to the private screening room and Ocean viewing deck. With over 6600 square feet of living space on just under 1 acre of land, this private estate offers an exceptional floor plan and presents tremendous potential for remodeling and updating, providing an opportunity to create a masterpiece tailored to your vision of

luxury living.
