Adorable brick one floor plan...just minutes to Rt. 60 and I-64. The house is bigger than what it looks like! This 3 bedroom/1 1/2 bath home offers an inviting living room with an electric fireplace or a den that can be used as a separate dining room. There is a large eat-in kitchen with a lot of cabinetry and counterspace for gas cooking. Level backyard with ally parking behind storage building. Nice sized bedrooms.
