Overview

A beautifully updated 4-bedroom, 3-bathroom detached condo, built in 2012, offers modern living with a blend of comfort and style. The home features an open-concept layout, with a spacious living area that seamlessly flows into a gourmet kitchen boasting stainless steel appliances, granite countertops, and a large pantry. The primary suite is a luxurious retreat, complete with a walk-in closet and a spa-like ensuite bathroom. Three additional bedrooms are generously sized, ideal for family, guests, or a home office. The bathrooms are fully updated, featuring contemporary fixtures and finishes. The property includes a large Rec room in the basement with plenty of storage! Outside, a private, low-maintenance yard provides a perfect space for relaxation or entertaining. An incredible feature that sets this home apart is the fact that while it affords all the benefits and advantages of maintenance free condo living, it is a stand alone home with no shared walls. This condo combines the benefits of modern construction with numerous upgrades, making it a perfect turnkey home for any buyer.
