## Overview

8 Douglas Avenue, where ocean life meets city life! This amazing home that is loaded with history is one of the highest homes on Gallops Hill in highly sought after Hull Village and backs up to Fort Revere offering extended open space for your daily enjoyment. The meticulously updated home with large windows throughout offers natural light and ocean views from every room. Work from home while taking in the views or jump on the ferry and dock at long wharf in less than 30 minutes for work or a day/night on the city. Ready to unwind? Hit the beach with resident parking in 3 minutes or grab drinks and dinner at one of many waterfront restaurants in Hull. Need to catch a flight? Catch the ferry and be at Logan in 20 minutes without sitting in traffic. Recent updates include a new storm proof roof, updated baths, new Stuv America wood burning stove, new picture windows, added garage, google home automation, refinished floors, new doors, and much more. This it truly the perfect lifestyle home!
