Overview

This property sounds like a dream come true for anyone who loves both comfort and outdoor adventure! With 3 bedrooms, an office, and a family room, there's room for both relaxation and work. The outdoor amenities really make this place special. The swimming pool and shaded gazebo create perfect spots for enjoying the summer months. The green detached garage with a 12-foot door provides ample storage for vehicles and outdoor gear. The additional storage sheds, greenhouse, carport, and the uniquely named "Crab-Shack" with a tankless hot water heater and electricity add even more value and functionality. The property's extensive water and electrical setup all the way to the back of the property is a huge plus, allowing for easy maintenance of the fully stocked fish pond, boat washing, and flexibility in parking or setting up a camper. The fish pond has its own little deck, where the fish swim up for any food you'd like to throw their way! This property is located just minutes by boat from the Intracoastal Waterway. Take a left to get to Atlantic Beach, or a right to get to Emerald Isle With all these features, this property is not just a home it's a versatile retreat ready for its next owner to enjoy and make lasting memories. There is an additional 322 square feet that was not counted in the building sketch, as the ceilings were below 7ft.
