Overview

Located in the historic district of downtown Russellville, this beautiful one-of-a-kind home embodies the history and craftsmanship of the 19th century. This custom home has 5 beds, 3 baths, an office, large family room, sunroom, screened in porch, formal dining room, and master suite with private bath and dressing room. Located on a corner lot with a single car detached garage and a separate storage building, this home is perfect for entertaining inside and out!
