Overview

You must see this first time on the market, craftsman style ranch home with 9 ft ceiling throughout! This open concept home features neutral decor and finishes with large windows. The kitchen hosts a ceramic farm-style sink w/ quartz countertops and large pantry. Relax in comfort of the large primary bedroom w/ generous walk in closet. The ensuite is beautifully appointed with brass finishes and decorative tile work. Two other bedrooms on the main level feature large windows and new carpet. The fully finished basement (1500sq ft) hosts a game room w/ cold storage room. The basement has a 2 bedroom apartment complete with its own entrance and laundry. Enjoy relaxing on the large back deck, enjoy the evenings sitting around the fire in the fire pit. More photos coming soon.
