Overview

1.78 acre lot in the established community of Winding Creek. No cookie cutter homes here. Winding Creek is an exclusive real estate opportunity for a limited number of families. Only a short drive to the beach or downtown Wilmington, this community has been planned for people who want the city conveniences close by with quiet peacefulness of country living. Winding roads, abundance of trees, underground utilities, and reasonable restrictions make these generous size home sites most attractive. Build your dream home on this 1.78 acre homesite in Winding Creek. This lot is subject to the restrictive covenants of Winding Creek.
