Overview

Nestled in the Shore Gardens Complex, this amazing coastal property is perfect for waterfront living. The views from this freestanding 3 bedroom, 3 bath condominium are quite impressive. The main level consists of a renovated interior, spacious kitchen with granite counter tops, updated appliances and center island open to the living room. A first-floor bedroom with sliders to a wrap-around deck. A very large patio area with firepit off the kitchen extends the first floor living space and is great for outdoor entertaining. On the second level, the primary bedroom provides a private oasis with its own bath, walk-in closet and deck overlooking the stunning water of Town Cove. This property includes a 1 bedroom, 1 bath accessory apartment on the lower level. Private entrance and parking provide for additional guest space or rental income. The association dock is perfect access for boating, sailing, kayaking, paddle boarding, swimming, fishing or windsurfing. Includes 1 mooring
