Overview

This charming 2024 new construction home in beautiful Odum, GA, offers 2 spacious bedrooms and 2 full bathrooms on a generous 0.46-acre lot within the desirable Odum School District. Featuring durable LVP flooring throughout, elegant tray ceilings, and an expansive covered front porch, this home perfectly blends modern amenities with classic Southern charm. The split floor plan provides privacy and comfort, and a convenient one-car carport adds to the home's appeal. Situated in a peaceful small-town setting, this residence is close to local schools, shopping, and dining, making it an ideal choice for those seeking both comfort and convenience. Professional photos will be uploaded upon completion Call your favorite real estate agent today to schedule a time to view!
