Overview

Welcome to Brick Chimney Landing, this Ann floor plan features all living on one floor with 1700 sq ft 3 bedrooms, 2 full bathrooms, covered front and back porches plus a two car garage. Inside is an open layout with a vaulted great room, formal dining room, breakfast nook, pantry and laundry room. Kitchen has stainless steel appliances, an island and bar seating area. Bedrooms are split with two bedrooms on one side sharing a full bathroom and primary suite on the back of the home with walk-in closet, dual sinks and walk-in shower. Owners will enjoy the oversized lot with water views from your backyard. Discover Brick Chimney Landing today. Future boat ramp access to the river, community pool and large home sites to choose from. Selections depend on status of build, inquire for more details. Schedule an appointment today to learn more. This home is under construction now with completion in October.
